MyRSC – Online Community

A professional network for the chemical sciences, hosted by the RSC

MyRSC is leading the way in providing an international networking hub for advancing the chemical sciences. Connect, engage and interact with scientists across the globe regardless of location, career stage or interest.

- Personalise your profile to reflect your specific interests
- Grow your network with people who share common interests, research or workplace
- Join groups and communities based in your field
- Exchange knowledge and expertise with fellow scientists or to get help and ask questions
- Follow blogs and discussion forums - carry on the debate
